BRAIN INJURY

Golf Classic

Dear Friends:

We are excited to be back at the beautiful Redwoods Golf Course this year for the annual Brain Injury Golf Classic.

Since 1997, the Fraser Valley Brain Injury Association has been working as an advocate for people of all ages with acquired brain injuries and striving for the development of appropriate services, opportunities, rehabilitation and training for all survivors of brain injury throughout the Fraser Valley.

We are dedicating this year's tournament to John Simpson, our founder and long-time advocate in the brain injury community.

Please join us for a great day of golf, fun, fundraising and memories!

Your participation and sponsorship contributions will help preserve the high quality of support and services offered to people with acquired brain injuries and their families that FVBIA has provided for the past 27 years.

- **Early Bird Registration: \$225** – Opens March 1st / Register and Pay by July 31, 2025
